* note: While this Table of Contents is extremely detailed (in order to make it as easy as possible to find particular sections a reader may be looking for), it does not cover even all of the subjects that are addressed in this 600-plus page book; and it does not do justice to the depth and specificity into which each section of this book goes. We hope that reading the Table of Contents does not substitute for reading in full the sections of this book.*

17. The Vatican II Sect’s Protestant Revolution: the 1999 Joint Declaration with the Lutherans on the Doctrine of Justification – Page 227

- In 1999, the Vatican signed an agreement on Justification with the Lutheran sect which declares that the canons of the Council of Trent no longer apply.
- This agreement states that the most notorious Lutheran heresies, which were solemnly condemned by Trent, including Justification by faith alone, are not condemned by Trent anymore. [SPECIFIC DETAILS AND EXAMPLES]
- This agreement is without question formal heresy, and arguably the single most notorious act of the Vatican II sect.
- This outrageous agreement, which rejects the Council of Trent, has been publicly and repeatedly approved and endorsed by John Paul II and Benedict XVI.

18. The Vatican II Sect vs. the Catholic Church on partaking in non-Catholic worship – Page 234

- As Pope Pius XI taught in *Mortalium Animos*, the Catholic Church has always forbidden the faithful from taking part in non-Catholic worship.
- This prohibition comes from the divine law, has been repeated throughout all of Catholic history, and has been confirmed by the popes.
- Vatican II and the antipopes of the Vatican II sect teach just the opposite.

THE INCREDIBLE DIRECTORY FOR THE APPLICATION OF THE PRINCIPLES AND NORMS OF ECUMENISM – Page 236

- This incredibly heretical directory, which was specifically approved by John Paul II, sets forth an entire program of participation in non-Catholic worship.
- Since this is a matter of the divine law and is connected with the Faith, it cannot be changed.
- The Vatican II sect’s official teaching on participation in non-Catholic worship is one of its biggest heresies; it absolutely proves that it cannot be the Catholic Church.

- Its teaching that it's good to participate in non-Catholic worship proves that its leaders (the post-Vatican II "popes") are manifestly heretical non-Catholic antipopes.

19. The Vatican II Sect vs. the Catholic Church on non-Catholics receiving Holy Communion - Page 239

- Documentation that the Vatican II antipopes have officially taught in Vatican II, the new catechism, the new code of canon law, encyclicals and speeches that non-Catholics may lawfully receive Holy Communion...
- Documentation that the popes of the Catholic Church have officially taught just the opposite...
- This alone proves that the Vatican II sect is not the Catholic Church, and that its "popes" cannot be true popes because we are dealing with two different religions.

20. The Heresies of Benedict XVI (2005-) - Page 243

- Joseph Ratzinger (Benedict XVI) was one of the most revolutionary theologians at Vatican II. - **Pages 243-244**

- ▶ The heresies of Benedict XVI documented in this section come from a study of 24 books written by him, as well as his speeches.
- Benedict XVI was the author of the infamous document on the Third Secret of Fatima released in the year 2000. This document of Benedict XVI promoted the obviously false Third Secret released in 2000, which almost no traditionalist holds to be authentic or complete. In the document, Benedict XVI referred to only one Fatima scholar, Fr. Dhanis, a man who attacked the message of Fatima. - **Page 245**

- In 2001, Benedict XVI wrote the preface for the book, *The Jewish People and their Sacred Scriptures in the Christian Bible*, which teaches that the Jews' wait for the Messiah is not in vain and that their position that Jesus is not the Messiah and Son of God is valid! - **Page 246**

Detailed Table of Contents

• In his books *God and the World* and *Milestones*, Benedict XVI says that the Jewish reading of the Old Testament, which doesn't see Jesus as the Messiah, is acceptable and might even be true. He thus denies that Jesus is truly the Messiah and Son of God. - *Pages 246-248*

- Benedict XVI not only denies the dogma that non-Catholics need to believe in the Papacy, but questions whether popes have supreme jurisdiction in the Church at all! - *Page 254*
- Benedict XVI also denies that the Papacy was even held in the first millennium, and tells us that this is why we cannot bind the schismatics to believe in it! - *Page 255*

- Benedict XVI repeatedly rejects the unity of the Church; he asserts that the Church was united in the first millennium, but then officially divided by the Protestant revolt and the schismatic revolt. This is blatantly heretical. - *Page 285*

CONCLUSION ON BENEDICT XVI - *Page 290*

- Benedict XVI is without any doubt a manifest heretic; he cannot be a valid pope, according to Catholic teaching. He is a non-Catholic antipope. - *Pages 290-291*
- Benedict XVI is a deceiver: he mixes his manifest heresies with ambiguous statements and sometimes conservative actions. - *Pages 291-292*
- Pope Pius VI teaches that heretics always use such tactics; don't be deceived by them. Catholics must hold heretics to their heresies regardless of the ambiguity and deception they attempt to employ in teaching the heresies. - *Pages 291-292*
- Benedict XVI's famous statement against Muhammad (Sept. 12, 2006) was meant solely to deceive people. This was proven by his subsequent complete retraction of it, in which he declared that it doesn't "in any way" express his personal thought. This is one of his most revealing heresies; it proves that he is a complete liar and has no credibility. - *Pages 292-294*
- So don't be fooled if Benedict XVI grants a universal indult for the Latin Mass, at a time when almost all the priests are invalid anyway, or does some other conservative gesture to bring traditionalists back under the Vatican II sect. - *Page 294*
- Benedict XVI's teaching that Jews are free to reject Christ and that Christ may not be the Messiah proves that he represents antichrist in the Vatican, in fulfillment of the prophecy of Our Lady of La Salette. - *Page 294*

21. Answers to the Most Common Objections Against Sedevacantism (19 Objections answered) – Page 298

■ **Obj. 1)** The gates of Hell cannot prevail against the Church, as Christ said (Mt. 16). He said He would be with His Church all days until the end of the world (Mt. 28). What you are saying is contrary to the promises of Christ. – *Page 298*

▶ ANSWER: Indefectibility does not mean that the Church cannot be reduced to a remnant, as happened during the Arian crisis, and as is predicted to occur at the end. It does not mean that antipopes cannot reign from Rome, as has happened, or that there cannot be a period without a pope. Heretics are defined by the popes to be the gates of Hell. It is those who assert that heretics can be popes who assert that the gates of Hell have prevailed against the Church. There is not a single dogma that can be quoted which is contrary to the situation of a counterfeit Church, headed by antipopes, opposing the true Church, which is reduced to a remnant.

■ **Obj. 2)** What's your authority for making these judgments? Your use of dogmatic statements is private interpretation. – *Page 299*

▶ ANSWER: The authority is Catholic dogma (explained). To assert that using dogma is private interpretation is condemned by Pope St. Pius X. The Council of Trent teaches that dogmas are infallible rules of Faith meant for *all* the faithful, to distinguish truth from error and Catholics from heretics.

■ **Obj. 3)** You cannot know if someone is a heretic without a trial or declaratory sentence. – *Page 300*

▶ ANSWER: This is answered and refuted from the teaching of Pope Pius VI, the case of Martin Luther, and the teaching of St. Robert Bellarmine, etc.

■ **Obj. 4)** Can't the Vatican II popes be just "material heretics"? – *Page 302*

▶ ANSWER: No, there are three reasons why it's absurd to assert that the Vatican II "popes" are "material heretics." They are absolutely formal heretics. This answer includes a detailed explanation of the meaning of "material heretic."

■ **Obj. 5)** The Church cannot exist without a pope – or at least 40 years without a pope. – *Page 308*

▶ ANSWER: The Church has existed hundreds of times without a pope, and for years. The answer includes a quote from a well known theologian writing after Vatican I who says the Church could exist decades without a pope.

■ **Obj. 6)** Vatican I's definitions on the perpetuity of the Papal Office contradict the claims of sedevacantists. – *Page 310*

▶ ANSWER: Vatican I's definitions don't in any way contradict the position of those who reject the Vatican II antipopes; answers to the specific passages are given. In fact, it is only those who reject Benedict XVI who can faithfully profess the dogmas of Vatican I, since Benedict XVI utterly rejects them. It is precisely because we believe in Vatican I and its definitions on the Papal Office that we must reject the Vatican II antipopes, who hold them to be meaningless.

■ **Obj. 7)** No one can judge the Holy See; thus the Vatican II popes are popes. – *Page 315*

▶ ANSWER: The Holy See has told us that no heretic can occupy the Holy See. To deny *that* is to judge the Holy See. The original meaning of the phrase refers to subjecting a true bishop of Rome to a trial, which has nothing to do with recognizing that a manifest heretic cannot be the pope. Pope Paul IV destroys this objection by quoting *this very teaching in the very Bull* which declared that one must not accept a heretic as the pope!

Detailed Table of Contents

■ **Obj. 8)** St. Robert Bellarmine said that no one can depose the pope, but that one may resist his bad actions. - *Page 317*

► ANSWER: This quotation has been completely taken out of context and misapplied. In the very next chapter, St. Robert Bellarmine says that a manifest heretic cannot be the pope. In the passage given in the objection, he is talking about a bad pope, not a manifest heretic. Further, sedevacantists don't depose a pope. They recognize that a manifest heretic has deposed himself. The dishonest promoters of this argument almost never quote St. Robert's teaching in the next chapter on manifest heretics who claim to be pope.

■ **Obj. 9)** Pope Liberius gave in to the Arian heretics and excommunicated St. Athanasius; yet he remained the pope. - *Page 319*

► ANSWER: It is not true that Pope Liberius gave into Arianism or excommunicated St. Athanasius. According to Pope Pius IX and Pope St. Anastasius, Liberius was falsely accused by the Arians and remained faithful to Catholic teaching.

■ **Obj. 10)** Pope Pius XII declared in *Vacantis Apostolicae Sedis* that a cardinal, no matter what excommunication he is under, can be elected pope. - *Page 320*

► ANSWER: It's a dogmatic fact that a heretic cannot be the head of the Church, since it's a dogma that a heretic is not a member. A "cardinal under excommunication" presupposes that the excommunication is not for heresy, since *a heretic is no longer a cardinal*. There are numerous things for which a cardinal could be excommunicated and still remain a Catholic cardinal - the distinction between major and minor excommunications. This is made clear by the fact that Pius XII is talking about "ecclesiastical penalties." Heretics are barred from the papacy not merely by an ecclesiastical law, but by the divine law. Pius XII is talking about Catholics under ecclesiastical impediments, not heretics. Even if we grant, for the sake of argument, that Pius XII was legislating that heretics could be elected (which he wasn't), he says that a cardinal's excommunication is only suspended for the purpose of the election, and that it comes into force immediately afterward. This would mean, even if we granted for the sake of the argument that the objection was correct, that the heretic elected would lose his office immediately after the election.

■ **Obj. 11)** What does it matter whether Benedict XVI is the pope? The issue does not concern me. - *Page 322*

► ANSWER: If this issue doesn't matter, then the New Mass doesn't matter, the non-Catholicism of the Vatican II sect doesn't matter, etc. Further, if you accept Benedict XVI, John Paul II, etc. as true popes you cannot even present the Catholic Faith as binding to a Protestant. This is explained in *The Devastating Dilemma*.

THE DEVASTATING DILEMMA PROVES THAT ONE CANNOT EVEN CONSISTENTLY TRY TO CONVERT A PROTESTANT IF ONE ACCEPTS THE VATICAN II "POPES" - *Page 322*

■ **Obj. 12)** How could all the cardinals accept an antipope, as in the case of John XXIII? - *Page 325*

► ANSWER: Pope Paul IV explicitly declares that one cannot accept as valid the election of a heretic as pope, *even if it takes place with the consent of "all" the cardinals* - proving that such is a possibility. At the beginning of the Great Western Schism, all of the cardinals rejected Pope Urban VI and accepted Antipope Clement VII.

■ **Obj. 13)** John XXII was a heretic who was even denounced by a cardinal; yet he remained pope. - *Page 326*

► ANSWER: John XXII was not a heretic, and his reign is no proof that heretics can be popes. This answer utterly refutes the perversion of this case that has been advanced by certain non-sedevacantists.

■ **Obj. 14)** Pope Honorius I was condemned as a heretic by a council; yet he was a true pope. - *Page 328*

Detailed Table of Contents

► ANSWER: In condemning Pope Honorius, no council said that he remained the pope after his lapse. Further, the case of Honorius is very different from that of the Vatican II antipopes. The very doctors of the Church who comment on Honorius saw nothing in his case to dissuade them from their position that heretics cannot be popes.

■ **Obj. 15)** The Church and the hierarchy will always be visible. If the Vatican II Church is not the true Catholic Church, then the Church and the hierarchy are no longer visible. - *Page 331*

► ANSWER: People misunderstand in what the visibility of the Church consists. It does not exclude the possibility of the true Church being reduced to a small remnant at the end, which is precisely what is predicted by Catholic prophecy and Sacred Scripture – and what was seen in the Arian heresy. The hierarchy remains with the few clergy who remain faithful to the fullness of the Catholic Faith. The Vatican II sect cannot be the visible Church of Christ; in fact, one of its heresies is that it denies the visibility of the Church!

■ **Obj. 16)** The Vatican II popes haven't taught manifest heresy because their statements are ambiguous or require commentary. - *Page 334*

► ANSWER: The Vatican II antipopes have taught many manifest heresies which are completely bold and unambiguous and require no commentary (examples). They also have many other heretical statements which are mixed with ambiguity. Pope Pius VI points out that heretics often do this. He further points out that some heresies need study and analysis to condemn, a point which directly refutes the objection.

■ **Obj. 17)** Both the 1917 and 1983 codes of Canon Law teach that a declaration is needed for one to lose his office due to heresy. - *Page 343*

► ANSWER: This is simply not true. Only John Paul II's 1983 Code says this; the 1917 Code says just the opposite: public heresy deposes a cleric from office without any declaration. The one who publicly promoted this objection is completely wrong.

■ **Obj. 18)** The Council of Constance condemned the idea that a heretic ceases to be pope, since he is not a member of the Church...- *Page 343*

► ANSWER: No, the Council of Constance condemned the idea that *a merely wicked man* (not a heretic) ceases to be pope, since he is not a member of the Church. This is very different from the truth that a heretic ceases to be pope. See explanation...

■ **Obj. 19)** The Joint Declaration with the Lutherans on Justification isn't manifest heresy because the Vatican II "popes" didn't sign it. - *Page 344*

► ANSWER: The Joint Declaration with the Lutherans is absolutely manifest heresy on the part of the Vatican II antipopes. They have publicly approved of it. The fact that they didn't sign it is irrelevant. James Smith could draw up a document denying the Immaculate Conception, and if John Doe publicly promotes it (even if he didn't sign it) he is a manifest heretic.

START OF PART II - BY THEIR FRUITS YOU SHALL KNOW THEM: THE ROTTEN FRUITS AND INEXHAUSTIBLE SCANDAL OF THE VATICAN II SECT - Page 348

The Rotten Fruits and Inexhaustible Scandal of the Vatican II sect prove that it's not the Catholic Church and that we are in the Great Apostasy

A teen in leotards, in an inappropriate position, performs for an applauding John Paul II – just one of a myriad of examples of the scandal, immorality and bad fruits universally exemplified by the Vatican II sect

- ▶ The Catholic Church is exceptionally holy and is characterized by its inexhaustible holiness; this is one of its marks.
- The Vatican II sect is not holy, but exceptionally unholy; it is characterized by inexhaustible scandal.

22. The Massive Sexual Scandal among the Vatican II/Novus Ordo “priests” - Page 350

- The sexual scandal that erupted in the mainstream media beginning approximately in 2002, as a result of shuffling pedophile priests from parish to parish in Boston, has made *what people deem* to be the Catholic Church and the priesthood the mockery of the world.
- They don't realize that they are referring to the Vatican II sect, and that this scandal is *the underlying evil reality of this counterfeit sect coming out for what it is*.
- The scandal is so massive and disgusting that entire dioceses of the Vatican II sect have gone into bankruptcy. [PHOTO OF “CARDINAL” LAW]

- This reaches all over the country and even all over the world; facts on the scandal in Portland, Louisville, Phoenix, L.A., Tucson, etc., etc., etc.
- The dioceses of the Vatican II sect, as even their websites reflect, are now more known for sex-abuse hotlines than promoting the true Catholic Faith.
- The “priests” of the Vatican II sect are something to protect one’s children from, not to find for true spiritual instruction.

23. The Seminaries of the Vatican II Sect are unspeakable cesspools of homosexuality and heresy – Page 355

- Pope Pius XI on what seminaries should be like...- *Page 355*
- The 2002 book *Goodbye Good Men* documents in tremendous detail the utterly horrifying state of post-Vatican II “Catholic” seminaries. – *Pages 355-357*
- Homosexuality, sodomy, perversion and immorality are so rampant at these “seminaries” that, in certain cases, some of the professors and seminarians even cruise the gay bars. – *Page 356*
- Conservative-minded seminarians are often forced to hide their beliefs, accept liberalism and sometimes homosexuality to be admitted or remain in the seminary. – *Pages 355-359*
- These are the seminaries that have produced the “priests” that have produced the massive sexual scandal.
- The Vatican does nothing about this abominable situation, while it promptly removes as head of a more traditional seminary a man who was opposed to the New Mass. – *Pages 355-356*

AN INCREDIBLE ACCOUNT OF THE STATE OF THE SEMINARIES FROM ONE WHO SPENT TIME AT A PROMINENT NOVUS ORDO SEMINARY- *Page 357*

- A conservative-minded seminarian, who spent time at one of the nation’s prominent Novus Ordo seminaries, writes about the uncatholic, blatantly heretical, immoral and scandalous atmosphere.
- The seminarian opposed the heresy and immorality and wound up being dismissed.
- The seminarian thought that the Novus Ordo “bishop” would back him, but the “bishop” backed the heretical seminary.

24. The idolatry of the Vatican II Sect, and the formation of “priests” for its idolatry in the seminaries, is connected with its rampant homosexuality – Page 360

- Vatican II “priests” celebrating a new liturgy... [PHOTO]
- Scripture teaches that homosexuality is a result of idolatry.
- An examination of the demonic cultures in history shows the connection between idolatry (whether of the flesh or of the work of one’s hands or of oneself) and homosexuality.
- Evidence from the satanic Aztec culture and the heathen Asian culture...

25. The Vatican II Sect promotes idolatry by its general worship of man, by its particular worship of man in the New Mass, and by its acceptance of idolatrous religions – Page 364

- A blasphemous post-Vatican II New Mass... [PHOTO] – *Page 364*
- *Lex Orandi, lex credendi* – The Novus Ordo Law of Prayer corresponds to the Novus Ordo Law of Belief: that Man is God. – *Page 364*
- The turning around of the altar, and a replacement by a table which faces man instead of God, replaces the cult of God with the cult of man. [PHOTO and discussion] – *Page 365*

Detailed Table of Contents

- The post-Vatican II propaganda on the New Mass invariably sees the meaning of Mass in the assembly – in man rather than in God. – **Pages 365-366**
- Vatican II's constitution on the liturgy explicitly teaches that the full participation of the people *is to be considered before all else* in the liturgy; this means that attention to man is the most important thing in the Mass. – **Page 366**
- Another empty and man-centered New Mass... [PHOTO] – **Page 366**
- That's why we hear about every kind of abomination at the New Mass, including Clown Masses, Kiddie Masses, Polka Masses, etc., etc., etc., etc., *which are all directed toward making the worship conform to the assembly.* – **Pages 366-367**
- Body-Surfing at the New Mass... [PHOTO] – **Page 367**
- The cult of man in the New Mass was strikingly captured in an exposé of a 1978 Clown Mass in the Boston Globe [PHOTO], which spoke of man as the Body of Christ. – **Page 368**
- The American "bishops" officially laid down that when distributing "Communion" a priest must not say "Receive the Body of Christ" or "This is the Body of Christ" because the congregation itself is the Body of Christ. – **Page 369**
- This worship of the assembly as the Body of Christ instead of the Eucharist is reflected in the seminaries. – **Page 369**
- ▶ Pope Pius XII on the distinction between Church and Lord... – **Page 369**

26. The Deplorable State of "Catholic" Parochial and High Schools – Page 372

- Since Vatican II, the once-Catholic school system has been laid waste.
- Perverse sex education, condemned by Pope Pius XI, is promoted all over the Vatican II sect's "Catholic" school system.
- Some of the details on the perversion being taught to children in the "Catholic" schools from the book *Growing in Love*.
- Details on how basic Catholic morality, modesty and spirituality are trampled under foot at the "Catholic" schools.
- There is a union between pagan culture and the "Catholic" school system; it produces young men and women who are often worse than pagans.
- These schools, which are "Catholic" in name only, feature the indifferentism of the Vatican II sect, as exemplified by a "Jewish Day" at a "Catholic" primary school. [PHOTO]
- The stunning statistics on the figures of decline in the post-Vatican II school-system, including that almost all Catholic schools have closed since 1965.

27. The Deplorable State of "Catholic" Colleges and Universities – Page 377

- Every "Catholic" college or university in communion with Benedict XVI is rampant with heresy and indifferentism and/or the promotion of the gay agenda and/or attacks on Sacred Scripture and/or attacks on the historicity of Our Lord or all of the above.
- Many examples given from many of the most prominent "Catholic" colleges and universities... [PHOTO]
- Official websites of "Catholic" colleges and universities literally encourage people to partake of false religions at their temples and places of worship.
- "Catholic" colleges and universities say that "No" to the Gospel and conversion is part of the divine plan.
- All of this is more expression of the universal apostasy of the Vatican II sect, the Counter Church with which these "Catholic" institutions remain in communion.

28. The Annulment Fiasco - The Vatican II Sect's *De Facto* Acceptance of Divorce and Remarriage - Page 382

- ▶ Catholic dogma teaches that a consummated sacramental marriage is indissoluble.
- ▶ An annulment is a declaration by a valid Church authority that a marriage never existed due to a hidden or known impediment.
- ▶ Annulments were traditionally given very rarely, are difficult to prove, and the evidence that there was no marriage must be clear; when doubt exists the validity of the marriage is presumed.
- ▶ Some examples of why the Church would grant an annulment (a declaration that the marriage never existed)...
- When the Vatican II apostasy settled in, the Catholic dogma on the indissolubility of marriage was laid waste with the explosion of phony annulments.
- Only 338 annulments were given in 1968, but 59,000 a year from 1984-1994!
- See the incredible statistics on how annulments are granted in the Vatican II sect to almost anyone who wants one.
- A review of some of the ridiculous cases which were given annulments by the Vatican II sect...
- The Vatican II sect allows divorce and remarriage - this is a fact.
- The Vatican II sect does nothing to stop the phony annulment fiasco or to excommunicate prominent members who are living in invalid "second marriages."
- The Vatican II sect's capitulation on the marriage issue - granting an annulment to basically anyone who wants one - is a proof of its worship of man, never being able to disappoint man.

WHILE THE VATICAN II SECT DENIES THE INDISSOLUBILITY OF MARRIAGE, THE CATHOLIC CHURCH AND THE TRUE POPES HAVE DEFENDED IT AT ALL COSTS - Page 384

- Details of how Pope Gregory V, Pope Innocent III, Pope Celestine III, and Pope Clement VII (just to name a few) defended the indissolubility of marriage...
- These popes opposed and *excommunicated* powerful kings and nobles because they had entered into unlawful re-marriages.
- In contradistinction to the phony Vatican II sect, which does nothing to stop the annulment crisis and excommunicates almost no one except those leaning toward traditional Catholicism, the true popes did overturn phony annulments, *excommunicate* and suspend those involved with them.
- Pope Clement VII, faithful to Catholic Tradition and dogma, excommunicated King Henry VIII and allowed an entire country to go into schism rather than violate the sanctity of the marriage bond.
- If the Vatican II sect had been around in the 16th century, the Anglican Schism would have been avoided because a phony annulment would have been granted and the Church's teaching on marriage would have been denied.
- All of this proves again that the Vatican II sect is not the Catholic Church.

29. The Figures on the Post-Vatican II Decline - Page 387

- The stunning figures on the bad fruits of the Vatican II sect: the decline in ordinations, religious orders, sisters, Catholic schools, Catholic marriage, traditional belief, etc...

30. One can be pro-abortion and part of the Vatican II sect at the same time - Page 389

- John Kerry receiving “Communion” in a Vatican II church... [PHOTO]
- The Vatican II sect denies every issue of the Faith, and only claims to stand against abortion and a few other things; but the fact is that it doesn’t stand against abortion.
- The Vatican II sect doesn’t excommunicate pro-abortion politicians, no matter how prominent they are.
- If the post-Vatican II sect ever had a chance to excommunicate a pro-abortionist, it was in the 2004 presidential campaign, when Sen. John Kerry (who claims to be a Catholic) put his radical pro-abortion views and his claim to be Catholic at the same time *right in the world’s face*.
- Not only was Kerry not excommunicated, but almost every single Novus Ordo bishop who addressed the issue denied that Kerry should *even be refused Communion*.
- After much discussion, the official policy of the “bishops” of the U.S. was that Kerry and his like need not be refused Communion, and that it should be left up to individual “bishops.”
- “Cardinal” Joseph Ratzinger, as head of the Congregation for the Doctrine of the Faith, said the “bishops” decision to do nothing to stop it was in line with the Vatican’s position.
- Read statement after statement from Novus Ordo “bishop” after “bishop” (even many considered conservative) who said that pro-abortion politicians should not be refused Communion.
 - ▶ The Catholic Church condemns such a heretical position, which gives Communion to public heretics.
 - ▶ Quotes from Popes Pius IX, Gregory XVI, and Pius VIII; read the quote from Pope Benedict XIV on how those opposed to just one dogma must be refused Communion.
- The Vatican II sect holds that opposition to abortion is simply an opinion, not a binding teaching which must be adhered to under pain of anathema and refusal of sacramental communion.
 - ▶ Catholic dogma and history teach that if a man is in favor of a dogma, but doesn’t condemn heresy opposed to it, he is a heretic.
 - ▶ History shows us that bishops during the Arian crisis who signed the *Council of Nicaea’s* profession of Faith, but refused to condemn the Arians, such as Eusebius of Nicomedia, were considered heretics.
- The bishops of the Vatican II sect and their antipopes have officially said that pro-abortion politicians need not be condemned or even refused the sacraments. Therefore these bishops are heretics, just like the bishops who wouldn’t condemn Arians.

- The fact is that one can be part of the Vatican II sect and be pro-abortion.

31. The Vatican II sect literally turns away converts at the door – Page 396

- In 1975, Father Linus Dragu Popian, who had been raised in the Romanian Orthodox religion, risked his life to escape Communist Romania and presented himself to the Vatican for conversion. The Vatican cardinals were horrified. They told Fr. Popian that he must not flee Communism or become Catholic because this would damage relations with the schismatic Church.
- In 2005, we were contacted by an Eastern Orthodox bishop who was considering conversion. He was told by the Archdiocese of Boston, **“There is no need to convert, there is salvation for non-Catholics.”**
- This incredibly heretical policy is perfectly in line with the teaching of John Paul II, Benedict XVI, and the Vatican II sect’s handbook on ecumenism.
- This is absolute proof that the Vatican II sect is not the Catholic Church.

32. The Religious Orders in the Vatican II Sect: Totally Apostate – Page 397

- An interesting article by a "Benedictine Nun," Sr. Mary Funk, further confirms the utter apostasy of the Vatican II sect's religious orders. - **Page 404**
- These examples are very interesting because they confirm that Vatican II's heresies and new religion have been *correctly* understood and implemented by these people to promote false religions and lose the Faith. - **Pages 404-406**
- Examples such as this, *which confirm the universal apostasy of the Vatican II sect by examining the beliefs of its members and groups at the local level*, could be multiplied for many pages.

CONCLUSION ON THESE SECTIONS CONCERNING THE SCANDAL OF THE VATICAN II COUNTER-CHURCH - **Page 425**

- The headlines and sections we've covered are just the tip of the iceberg; examples could be multiplied for pages; they come out almost daily.
- Since holiness is one of the four marks of the Church, the almost universal scandal and unholiness of the Vatican II sect proves that it is not the Catholic Church.
- Its inexhaustible supply of rotten fruits is a result of its apostasy and heresy.

34. The Apostasy of the “bishops” and prominent members of the Vatican II sect - is this your hierarchy? - Page 428

THIS SECTION CONTAINS INTERESTING ITEMS AND IMPORTANT COMMENTARY ON SOME OF THE MOST SIGNIFICANT AND REVEALING HERESIES FROM THE PROMINENT MEMBERS OF THE VATICAN II SECT

 - > In a Joint Statement with schismatics which is carried on the official website of the American Novus Ordo “bishops,” they bluntly state that the dogmatic definition of the Second Council of Lyons, which condemns those who deny that the Holy Ghost proceeds from the Father and the Son, is “no longer applicable”!

- ▼ The Vatican II sect teaches that Jews and Muslims are the spiritual seed of Abraham, which is a denial of Jesus Christ. - *Page 446*
 - There are many other examples that could be given, but these suffice to prove, once again, that *the hierarchy of the Vatican II sect is not the Catholic hierarchy - and that we are in the Great Apostasy.*

START OF PART III – THE TRADITIONALIST RESISTANCE – Page 456

THE TRADITIONALIST RESISTANCE – SOME ISSUES PERTAINING TO THOSE WHO HAVE FIGURED OUT, TO ONE DEGREE OR ANOTHER, THAT THE POST-VATICAN II CHURCH MUST BE RESISTED OR REJECTED

- ▶ These sections deal with refuting some of the false positions that have been adopted by those who have recognized a problem with the post-Vatican II “Church,” but still maintain that the antipopes at the head of this new Vatican II religion are true popes or that the New Mass is valid, etc.

36. The False Apparitions at Bayside, New York – Page 458

- ▶ This article exposes the lengths to which the Devil has been allowed to go to deceive people about the Vatican II apostasy, the Vatican II antipopes and the New Mass.
- ▶ Our Lord foretold (Mt. 24) that there will be false miracles and false revelations in the last days to deceive, if it were possible, even the elect. – *Page 460*
- ▶ The alleged appearance of the Mother of God at Bayside was one of those false revelations and miracles. This is proven by the false and heretical messages contained within the Bayside revelation.

37. What does Medjugorje say? The Message of Medjugorje proves that it is also a false apparition – Page 468

38. Was Vatican II infallible? If you believe that Paul VI was a true pope, yes. – Page 469

THIS SECTION DISPROVES THE POSITION OF THOSE WHO HOLD THAT PAUL VI WAS A TRUE POPE, BUT REJECT THE HERESIES OF VATICAN II BY SAYING THAT THEY ARE NOT BOUND TO ACCEPT THEM BECAUSE VATICAN II WAS NOT INFALLIBLE EVEN IF HE WAS A TRUE POPE

► This section proves that the true position is that the man who imposed the heretical Second Vatican Council *could not have been* a true pope because he solemnly attempted to bind heretical Vatican II on the faithful.

• If Paul VI was a true pope (which he wasn't), he fulfilled all three conditions to speak infallibly by his confirmation of Vatican II. – *Pages 469-472*

• Each document of Vatican II begins and ends with solemn words of Paul VI – including the invocation of his “apostolic authority” – which would definitely be infallible if he had been a true pope. – *Page 470*

• When closing Vatican II, Paul VI also solemnly declared in virtue of his “apostolic authority” that Vatican II is to be religiously observed by all the faithful. – *Page 471*

■ **Obj. 1)** John XXIII said that Vatican II would only be a “pastoral council,” which proves it wasn't dogmatic. – *Page 472*

► ANSWER: John XXIII never said that (see explanation), and it is Paul VI's solemn confirmation that matters anyway.

■ **Obj. 2)** Paul VI said in 1966 that Vatican II had avoided proclaiming dogmas affected by infallibility. – *Page 473*

► ANSWER: Paul VI's 1966 statement is irrelevant because Vatican II had already been solemnly closed in 1965. Paul VI made this statement after the fact to add confusion. Further, in this 1966 statement, Paul VI says that Vatican II constitutes the teaching of the Magisterium. He further declares that whoever honors Vatican II honors the Magisterium. Thus, even those who go by this statement would be bound to accept Vatican II as the teaching of the Magisterium (which is infallible and binding) – see explanation.

■ **Obj. 3)** Vatican II was not infallible because there was a note attached to *Lumen Gentium* that said it was not infallible. – *Page 475*

► ANSWER: This note is not part of all the documents, but only *Lumen Gentium*. This note declares Vatican II enacts the Supreme Magisterium of the Church and that Vatican II must be accepted according to the way things are said at the council. Well, Vatican II says that its (heretical) teaching on religious liberty comes from divine revelation and is to be held sacred by Christians (see examples). Thus, even if one goes by this note, one must accept Vatican II's heretical teaching on religious liberty as sacred and part of revelation, by virtue of the “Supreme Magisterium of the Church.” See explanation.

► All of this proves that there is no way to escape the reality Antipope Paul VI could not have been a true pope and at the same time promulgate Vatican II.

ST. PETER VS. ANTI-PETER– Page 477

► In *Quanta Cura*, Pope Pius IX dogmatically condemns, proscribes (outlaws) and reprobates the idea of the civil right to religious liberty in virtue of his apostolic authority. – *Page 477*

• In *Dignitatis Humanae* at Vatican II, Paul VI solemnly approves, decrees and establishes the idea of the civil right to religious liberty in virtue of his “apostolic authority.” – *Page 477*

► The two cannot possibly possess the same apostolic authority (the authority of the Papacy). To assert that they did (i.e. that Paul VI was a true pope) is to blaspheme the Church, reject Papal Infallibility and assert that the gates of Hell have prevailed against it. – *Page 478*

39. Paul VI ends a very popular and significant false traditionalist myth by declaring that Vatican II and the New Mass are binding – Page 480

- As we just covered, many “traditionalists” assert that the proper position is to resist the New Mass and Vatican II, while accepting the post-Vatican II “popes” as true popes.
- In an address on the position of Archbishop Lefebvre (which is basically never quoted by false traditionalists), Paul VI himself blows this position away by declaring that the New Mass and Vatican II are binding. He further implies that those who reject them are outside the Church.
- ▶ The only proper position, therefore, is one which rejects Vatican II, the New Mass and Antipope Paul VI.

A FURTHER ANALYSIS OF THE POSITION OF THOSE TRADITIONALIST GROUPS WHO RESIST VATICAN II AND THE NEW MASS, BUT STILL ACCEPT THE POST-VATICAN II “POPE”

- In their best-selling books, the SSPX teaches that souls can be saved in false religions, which is heresy. – *Page 483*
- The SSPX recognizes as Catholic manifestly heretical bishops. – *Pages 483-484*
- The SSPX calls the Vatican II sect a New Church which it refuses active communion with; at the same time, however, it professes communion with the head of the New Church, which is illogical. – *Pages 483-484*
- The SSPX operates a world-wide obstinate apostolate outside of communion with the hierarchy it recognizes as Catholic. – *Pages 483-484*
- The SSPX holds that the post-Vatican II “popes,” whom it regards as valid, have erred in canonizations. This position is false and contrary to Catholic teaching. – *Page 485*

START OF PART IV – CONCLUDING SECTIONS

44. Is the Vatican II sect the Whore of Babylon prophesied in chapters 17 and 18 of the Apocalypse? – Page 559

“And the woman was clothed round about with purple and scarlet” (Apoc. 17:4)

THE ASTOUNDING EVIDENCE THAT THE VATICAN II SECT IS THE WHORE OF BABYLON

- 1. The whore sits upon many waters – an explanation of this based on Catholic teaching...- *Page 560*
- 2. The whore sits upon the city of seven mountains – Rome. - *Page 561*

- 4. The whore is a mother, to contrast her with the true Church (the whore’s antithesis), who is also a mother. - *Page 563*
- 5. The whore is clothed round about in purple and scarlet (the colors of bishops and cardinals); that is, she wears the colors of the true Church but inwardly is an apostate fraud; STRIKING PHOTOS OF PURPLE AND SCARLET...- *Page 563*
- 6. The whore has a golden cup in her hand, representing the Chalice at Mass, which is defiled by the whore’s spiritual fornication in the area of the Mass; STRIKING PHOTO...- *Page 565*
- 7. The whore is characterized by fornication and whoredom, which means spiritual infidelity in Sacred Scripture. [PHOTOS OF VATICAN II SECT’S SPIRITUAL FORNICATION] - *Page 566*
- 8. The whore has separated from her Spouse, Jesus Christ. - *Page 569*
- 9. The light of the lamp shall shine no longer in the whore, which means the sanctuary lamp and the real presence of Christ in the Eucharist. [PHOTO] - *Page 570*
- 10. The voice of the pipe is heard no longer in the whore, which means the removal of traditional Catholic liturgical music from the whore, and a replacement with worldly music. [PHOTO] - *Page 571*
- 11. All the world is drunk with the wine of her whoredom, which means the spiritual fornication having to do with the wine portion of the consecration – the very part that has been changed – which makes the New Masses invalid. - *Page 571*
- 12. The whore is drunk with the blood of the saints and martyrs because false ecumenism mocks and renders meaningless all the sufferings of the saints and martyrs not to embrace false religions, which the whore does with enthusiasm. [PHOTO] - *Page 572*

CONCLUSION ON THE WHORE OF BABYLON - Page 574

► The Vatican II sect is clearly the Whore of Babylon. God tells people in Apoc. 18 to come out of her; the Apocalypse contrasts the whore with another woman (the true Catholic Church reduced to a remnant) which has fled to the wilderness (Apoc. 12). - *Page 575*
