

# Most Holy Family Monastery

The package that you have received is the most important small package of information you will ever receive in your life. It contains the critical information you need to save your soul.

All of you know that one day all of us will have to leave this world forever. But most people believe that almost everyone will go to Heaven. This thinking, however, is contrary to what Jesus Christ states about the sad fate of humanity. In Matthew 7:13, he declares that few make it to Heaven. Jesus says: "Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it." This is why the package that you have received is critical. If you lose your eternal soul, you will be (in the final analysis) a total failure and miserable forever. God doesn't want that to happen to you.

If you are an atheist or agnostic, there are two things I would recommend. You should watch the DVD: *Creation and Miracles, Past and Present*, and you should read the book about *Padre Pio*. If you are a Protestant, you should read the book: *The Bible Proves the Teachings of the Catholic Church*. After that, you should look at the rest of the information in the package. If you are mainly interested in biblical prophecy, then I would recommend the DVD called, *The Apocalypse Revealed? - Is the World About to End?* This video covers the likely fulfillment of what is predicted by St. John in the book of the Apocalypse or Revelation.

If you claim to be a Catholic, then you need to see our DVD called: *The Third Secret of Fatima*. This extremely important DVD explains in detail what has really happened to the Catholic Church over the last fifty years, following the infamous Second Vatican Council (1962-1965). It proves that we are living through the Great Apostasy predicted to take place at the end of the world. It demonstrates that most people who think they are Catholic have actually embraced a modernist false faith that is not consistent with what the Catholic Church has always taught throughout history. It shows how this apostasy from the Catholic faith was predicted in Scripture, and that the Catholic Church has been almost completely destroyed over the last fifty years, but still exists in a remnant of traditional Catholics. At the apparitions of Our Lady of La Salle, France on September 19, 1846, the Blessed Virgin Mary predicted that one day: "Rome will lose the faith and become the seat of the Antichrist... the Church will be in eclipse." Sacred Scripture predicts that in "the holy place" itself there will be "the abomination of desolation" (Mt. 24:15), and a deception so profound that, if it were possible, even the elect would be deceived (Mt. 24:24). The New Testament tells us that this deception will happen in the very heart of the Church's physical structures, in "the Temple of God" (2 Thess. 2:4). It will arise because people receive not the love of the truth (2 Thessalonians 2:10). The Great Apostasy at the end of the world will be so horrible that Jesus says: "But yet the Son of man, when he cometh, shall he find, think you, faith on earth?"

The DVD: *Death and the Journey into Hell* could change your life. It covers the shortness of life and the reality of Hell. It is certainly one of our most important DVDs to watch. We also expect to have the DVD you have received available in Spanish in October. If truth matters to you, you will really appreciate this package. Please send us a tax-deductible donation so that we can get this critical soul-saving information out to millions of other souls.

Sincerely,

Brother Michael Dimond, O.S.B.
